

## Clean Ireland Recycling

### FOR THE SPRING CLEAN LETS GO GREEN WITH THE “BEAR WHO CARES”!

As a thank you to its many loyal Clare customers, Clean Ireland Recycling is providing Communities /Residents Associations in County Clare with Big Ben's Bag (The Big Skip Bag) Hire - FOR FREE!

The Clare Champion, in conjunction with Clean Ireland Recycling, is pleased to be giving away thirty free Big Ben's Bag hires. We are inviting communities /residents associations throughout County Clare to write a short piece about their neighbourhood.

Entrants should state: what they love about their community, why they are proud of their community, why it is special either for them, or to Clare, and why they believe it is important to keep their neighbourhood clean, in not more than 100 words. Each winning entrant will

be rewarded with the use of the Clean Ireland Recycling Big Ben's Bag service (2 skip bags per winner); members of the chosen community will be able to get together and clean up their public

area. These bags are ideally suited for clean-ups on streets, in parks and in recreational areas, as they can be moved around easily while you

fill. The bags, once full, should be located where a crane-type vehicle can enjoy easy access, i.e. no overhead wires, etc. Once you have cleaned your neighbourhood, Clean Ireland Recycling will remove the full Big Ben's Bags free of charge. As we flow into the summer months, this is a great opportunity to keep your area looking beautiful, green and clean - ALL FOR FREE. So get your pens and start writing. Use your imagination and show your pride.

Send entries along with contact name, address and number of secretary/ chairperson of community group / residents association to:

Spring Clean Competition,  
The Clare Champion,  
Barrack Street  
Ennis,  
Co. Clare

before Thursday 16th April
